OUR STORY AND MISSION

4 Spirits Distillery was founded in 2010 in memory and tribute to four Oregon National Guardsmen and friends, who served in Delta Company's 2nd Battalion, 162nd Infantry Regiment.

Each day we make it our mission to perfect our craft, spread cheer and honor the courage and sacrifice of service members both past and present. As a part of this mission, we provide continuous support to veteran reintegration programs in the states where our products are sold.

In 2023, we officially launched the 4 Spirits Foundation as a way to expand our programs, increase dollars and provide more impact to veterans who need it most.
