

COMPANY HISTORY AND STORY:

4 Spirits opened its doors in 2011 as a local craft distillery, producing premium spirits with a special story and mission. The company name is a tribute dedicated in memory of four fellow combat soldiers from the Oregon National Guard 2 Battalion, 162nd Infantry Brigade, who served with Dawson in Baghdad, Iraq in 2004/2005. Each day is an opportunity to honor and remember them, while raising a glass and educating our community on the needs of our current military and veteran populations. We will forever honor their courage and sacrifice.

The distillery began with production of premium vodka, which quickly developed into a full line of award-winning craft whiskeys, rums, premium vodka, and cucumber gin. In July of 2017, 4 Spirits expanded from the original location in Adair Village, and opened the doors to a brand new facility located in South Corvallis. A destination for locals and visitors alike, the new location houses an expanded production facility, large indoor and outdoor event spaces, and a full bar, restaurant and tasting room with stunning views of Mary's Peak.

4 Spirits has three distinct business divisions including 4 Spirits Food and Drink, Production and Wholesale, and Marketing and Events. The new location has allowed the company to produce and age a higher volume of products, host new and exciting events, and support the craft beverage industry as a destination attraction for the Corvallis area. This location and the growing customer base has allowed 4 Spirits to continue their important giving programs, as a part of their ongoing mission to serve local veterans. We are proud to be a part of such a supportive community that allows us to thrive, expand our footprint, provide new jobs and give back.

DECLASSIFIED

THE MISSION:

4 Spirits is driven by the idea that our small business can make a powerful difference in the needs of veterans. We are dedicated to supporting causes that help combat veterans heal through mental health support and education. The first big giving campaign began in 2012 with the release of 4 Spirits Bourbon Whiskey, a tribute in memory of the fallen. A portion of the proceeds from each bottle are continuously dedicated to supporting local and regional veteran reintegration programs each quarter. Funds from this program and other fundraising initiatives such as the 1st annual Corvallis Spirits Festival and ongoing community events have helped us to raise over \$175,000 for local and regional veterans causes. In 2019, 4 Spirits completed funding for the 4 Spirits Veteran Scholarship Endowment fund at Oregon State University and awarded the very first scholarship recipient. A new scholarship program has just been established at Western Oregon University, with plans to continue the tradition of helping veterans at local universities into the future.

GIVING PROGRAMS:

Our company proudly contributes to the following organizations on a regular basis:

- Oregon State University Foundation.
 - 4 Spirits Veteran Scholarship Endowment Fund

INNOVATION AND VISION FOR THE FUTURE:

The vision for the growth at 4 Spirits is to innovate by fusing great food with quality spirits, and by making fresh and vibrant cocktails using our own craft spirits in a fun destination setting. We are proud to use many local ingredients in our food and spirits! By adding event spaces throughout our location, we have been able to host a wide variety of new community and industry events, furthering our ability to support our giving programs and spread awareness of our mission.
