

Warehouse Events at 4 Spirits

General Info

4 Spirits offers a wide variety of private and public event spaces for parties, meetings and cocktail receptions in both indoor and outdoor areas. **The Distillery Warehouse** is our largest space, and transforms into a perfect private venue for a wide variety of events. With over 1,700 square feet of space inside, the venue can host events for up to 150 people. Weather permitting, use of our expanded outdoor areas can be included to accommodate even more guests in a fun and casual environment.

For large private warehouse events, our team provides all of the supplies that you will need to create the perfect set up. Room rental includes full set up of chairs, tables, linens, sound system and more. Full service catering and private bar services are available for warehouse groups of 40 or more. Our private catering menus highlight some of the most popular options from our kitchen, featuring house-smoked meats and delicious homemade sides to accompany, as well as a large variety of appetizers and bar options. Event bar selections may also be customized, with guests choosing favorite local beer and wine options, as well as cocktails to compliment the event theme.

- 1,700 Square feet of indoor space, with an additional attached outdoor, seasonal yard space
- Suitable for a large variety of set ups – cocktail reception, seated banquet, corporate meetings/parties and more
- In-house sound system, with bluetooth and wireless microphone
- Full bar and catering options for groups of 40+
- Distillery tour, tasting and meal packages available for groups seeking a distillery experience during their event
